SUMMARY

Passionate Full Stack and Frontend Developer with experience in JavaScript and frameworks like Vue, React, and Nextjs. Successfully developed 30+ Front-end websites, and many full-stack projects. Eager to leverage frontend expertise to craft engaging user interfaces and contribute to innovative projects. Seeking internship opportunity to further enhance skills and drive impactful results in frontend and full stack development

EDUCATION

Bachelor of technology/Computer Science

SGT University

📅 2022 - 2026 📍 Gurugram, Haryana

GPA

3.3 / 4.0

EXPERIENCE

Junior Full Stack Developer (Internship)

SGT University

📅 06/2023 - 09/2023

Contributed to the development and enhancement of the university's ERP system as a Junior Full Stack Developer Intern. Leveraged JavaScript, and frameworks like React and Nextjs to implement new features and functionalities.

- Collaborated with senior developers to troubleshoot issues, optimize system performance, and ensure seamless user experience.
- Gained hands-on experience in full stack development methodologies and contributed to the improvement of critical university processes.

Junior Front-end Developer (Remote internship)

DevTown

📅 10/2023 - 12/2023

Completed a remote internship at DevTown, focusing on frontend development. Worked closely with the development team to implement UI/UX designs, enhance website responsiveness, and optimize user interactions.

- Acquired proficiency in HTML, CSS, and JavaScript while gaining practical experience in modern frontend frameworks such as React and Nextjs
- Assisted in implementing and testing new features, ensuring a seamless user experience. Gained hands-on experience with version control systems like Git and participated in regular code reviews
- Contributed to the delivery of high-quality web solutions and collaborated effectively in a remote work environment.

PROJECTS

Snacks Here(Food delivery)

Developed a modern web application akin to Swiggy, a popular food delivery platform. Leveraged a robust tech stack to engineer seamless user experiences, efficient order management systems, and secure payment gateways.

Blog Webapp

Developed a user-friendly blog web application, enabling seamless content creation, sharing, and consumption.

File Sharing

Created an efficient online file sharing and uploading platform for seamless file management and secure sharing.

Ui-Vault

Your go-to destination for free, high-quality UI components, offering a vast collection of ready-to-use elements to accelerate your web development projects.
